### Short But Sweet

For weeks a 6 year old lad kept telling his first  
grade teacher about the baby brother or sister that  
was expected at his house, One day the mother  
allowed the boy to feel the movements of the  
unborn child. The 6 year old was obviously  
impressed, but made no comment. Furthermore,  
he stopped telling his teacher about the impending  
event. The teacher finally sat the boy on her lap  
and said "Tommy whatever has become of that  
baby brother or sister you were expecting at  
home?" Tommy burst into tears and confessed, "I  
think Mommy ate it!!"
