Author Catherine Dunne to visit Killenaule Library.

Catherine Dunne's non-fiction book "An Unconsidered People" was published in 2003. This book was a result of a chance meeting with a woman who left Ireland in the 1950's to work in London which sparked a fascination with immigration that has lasted to this day. Catherine Dunne has researched this topic widely. Author Catherine Dunne talks about Social History of Immigrants in London - in Killenaule Library on Thursday 7th May at 7.30pm. Admission Free.
