Basic Computer Course. **FREE** to all Participants

For ANYONE who wants to do a Basic Computer course, ALL courses are **FREE** to do. I will be based in Killenaule Heritage Centre for the time being but will be trying to get venues in all local villages soon.

Courses are open to anyone. The course is Government funded so won't cost you a cent. When we get the numbers we will be doing the courses daytime and evening, the classes will be 2 hours long and will run for 4 weeks. Times would be 10am to 12 midday and 7pm till 9pm.

This course will involve the following …

- **Basic Computer Knowledge**
- **Operating Computer using Windows**
- **Virus Protection and Security**
- **Web Browsing**
- **Email (Set up and use of)**
- **Ordering and paying for products Online**
- **Online Banking**
- **Social Media (Facebook, Twitter, Skype etc..)**
- **Job Search**

If interested please contact me.
