

Ukraine Appeal

4th March 2022

Dear Father,

I am sure you and your parishioners are greatly disturbed by images and reports of what has been unfolding in Ukraine over the past week.

I write to let you know that Trócaire is responding to the crisis and I invite people wishing to make a donation to this campaign to do so through the Trócaire website.

Currently, there is a Ukraine fund open for donations on Trócaire's webpage. Today, Friday, March 4th the Irish Emergency Alliance (IEA), of which Trócaire is a member along with 6 other Irish NGOs, will launch an appeal for Ukraine. Trócaire is providing full support for that appeal.

For the next two weeks, anyone coming on to the Trócaire website who wants to donate to Ukraine will be directed to donate via the IEA webpage. Trócaire will work collaboratively with the IEA to promote that appeal to the general public.

Through the Catholic Church network – the Caritas network, Trócaire has been engaging with Caritas Ukraine, Caritas Poland and the secretariats in Caritas Europa/Internationalis.

Caritas Ukraine works with the most marginalised people in the country and are supported by a large body of volunteers. They are supporting 3 categories of people: 1) people in transit, supporting them to make their way to the border, 2) those who are left behind- supporting them with supplies 3) those who reach the border - providing food, shelter, transport and psycho social support.

Caritas Poland are also working on the border and all 45 dioceses in Poland are involved in trying to provide support. Poland has received 400,000 refugees from Ukraine over the past week and volunteers from Caritas Poland are providing food, blankets, hygiene kits and other essentials to people at the border as they arrive. We are working in partnership with Caritas Poland, extending financial support to their work on the Polish/Ukrainian border to support those arriving from Ukraine.

Trócaire will continue to engage with Caritas Europa to identify how best to support the local Caritas organisations in their response.

Please support this appeal for the Ukraine.
