## Killenaule Playground Fundraiser

<https://gofund.me/bbea6e9b>

<https://www.facebook.com/KillenaulePlayground/>

The community playground in Killenaule was established in 2008 through the hard work and fund raising efforts of the local people and businesses. It has served the community well in the years since and is a great amenity to have. Essential repairs now need to be carried out to make the playground safer for all users to enjoy for many more years to come. Playgrounds can be closed if standards of health and safety are not maintained so we must now act to ensure this does not happen in Killenaule.

Please support our 'gofundme' fundraiser and find us on Facebook and Instagram.

We really appreciate and are amazed by all of the donations received so far from people and businesses from near and far.

Please give what you can,

**Killenaule Playground Committee.**
