**PEACE:** If there is to be peace in the world, there must be peace in the nations. If there is to be peace in the nations, there must be peace in the cities. If there is to be peace in the cities, there must be peace between neighbours. If there is to be peace between neighbours, there must be peace in the home. If there is to be peace in the home, there must be peace in the heart.

## SOME THOUGHTS FOR THE WEEK:

"We cannot live with bitterness because it will first manifest itself in our spirit, then in our emotions, and finally in our bodies." Tom Drout  
"Funerals, divorces, illnesses, and stays in the hospital — you can't lie about life at such times. Maybe that's why He's always present at such moments." Max Lucado

"There is nothing more beautiful than someone who goes out of their way to make life beautiful for others." Mandy Hale  
"Finding clarity is eliminating options and aligning your thoughts with values. Clarity of mind is clarity of passion too. Be still and you will hear the truth." Diana Elmessiri

"The secret of living a happy life is to make happiness as a goal of your own and others happiness. Happy people are those who have decided to live." Brigadier Tewari

"Every day you make memories. Funnel today's experiences into tomorrow's happy reflections." Jeane Westin

"Perspective is everything. It sets the stage for all our experiences. How we speak, act and respond to life's situations is all a matter of perspective." Papa G  
"It is God to whom and with whom we travel, and while He is the End of our journey, He is also at every stopping place." Elisabeth Elliot  
"It's often just enough to be with someone. I don't need to touch them. Not even talk. A feeling passes between you both. You're not alone." Marilyn Monroe

"Those who pass by us, do not go alone, and do not leave us alone; they leave a bit of themselves, and take a little of us." Antoine de Saint-Exupéry
