Jesus feeds the multitude (Lk 9:10-17) and asks the disciples to ensure nothing is wasted. When food is not wasted, but is shared fairly, with solidarity, no one is deprived of what they need, and the community can meet the needs of its poorest members.

**4 October – Feast of
St Francis of Assisi
(1181-1226)**

**If you have men who
will exclude any of
God's creatures from
the shelter of
compassion and pity
then you will have men
who will do likewise to
their fellow men.**

1. What other people think of you is none of your business.
2. Stop beating yourself up, you are a work in progress.
3. Don't compare your beginning to someone else's middle.
4. Don't stumble over something behind you.
5. Assume the good & doubt the bad.
6. Don't put the key to your happiness in someone else's pocket.
7. Worrying will never change the outcome.
8. Don't let yesterday take up too much of today.
9. The secret to having it all is believing you already do.
10. Be yourself, everyone else is taken.

And one to grow on... **WORK HARD & BE NICE TO PEOPLE!**
